Countdown to Kindergarten

Mrs. Pam Prenot

Dates: June 11 - Aug 8 - Tuesdays, Wednesdays and Thursdays

Time - 7:30 am - 5 pm

Who - students going into 5K

Where - Mrs. Prenot's classroom, playground, gym on rainy days or super hot ones

They are ready for Kindergarten and will stay ready when they enroll in Countdown for Kindergarten! We will work on all the skills needed for Kindergarten: writing our name, writing the alphabet and numbers, following multiple directions in a large group, teamwork, sight words, pointing to words as we read, and many more.

The kids will learn during small group play and large group activities. We will continue to build the friendships we made in 4K and work on problem-solving and working together. There will be one-on-one work time and centers to promote math and literacy skills. We will continue to review colors, shapes, and counting, too. Your child will have a fun-filled day of learning.

You may drop off and pick up any time within the hours of the class.

An information sheet will be sent home to those who sign up.

Kindergarten Bonus: A Summer Adventure for Future First Graders

Instructor: Ms. Noll

Dates: June 4-7 and 11-14

TWThF - 8:30 AM - 12:30 PM

Level: Students Entering First Grade

Welcome to Kindergarten Bonus, where the fun of kindergarten continues into the summer! Designed for children transitioning from kindergarten to first grade, this engaging summer school class offers a unique blend of educational activities, creative projects, and exciting adventures to prepare young learners for their next academic journey.

Throughout this class, students will embark on a journey filled with exploration and discovery, aimed at reinforcing key concepts learned during kindergarten. Students will enjoy stories, play games, and expand their writing skills. Students will enjoy a variety of math games and expand their number sense. Of course, we will enjoy a little outdoor summer fun along the way!

Kindergarten Bonus provides a supportive and nurturing environment where each child is encouraged to learn, grow, and express themselves freely. Join Ms. Noll for an unforgettable summer experience filled with laughter, learning, and friendship in Kindergarten Bonus.

STEM - (Science, Technology, Engineering and Math)

Instructor: Mrs. Andrey Schmitt

Dates: June 17 - 21 or June 24-28 (One Week Course)

Monday-Friday 8 am-12 pm

Level: students going into grades 1-6

Limit 15 students per session.

A variety of Science and engineering concepts will be introduced through fun and engaging challenges. Come use your creativity and critical thinking skills to repurpose a pizza box into a solar oven or build a pool noodle roller coaster. Enjoy one week of exploration and plenty of fun.

You've Got the "Write" Stuff

Students Going Into Grades 4 and 5

June 3-6, 2024

8:00-4:00 pm

Ms. Stryeski

Limit: 12 students

This course is for students going into grades 4 and 5 who LOVE to write. Students will work on poetry, essay writing, research for informational reports, playwriting, and creative writing. Students will work together on creating an original play to perform for other summer school classes. Students who sign up for this course need to be sure they are up for a rigorous writing experience. Students will need to bring the following things with them: a water bottle, sack lunch, pencils, coloring materials (crayons, colored pencils), scissors, glue sticks, a notebook, a folder, and an eraser. Since this is a rigorous course, it is helpful for students to attend class for the full 4 days.

Summer Band Lessons

LEVEL: Entering Grades 5-12

DATES: TBD

COST: FREE

Instructor: Mr. Zalewski

Students entering 6-12th grade (and interested 5th graders) will have the opportunity to enroll in individual/small group band lessons. These lessons will help students to continue building their musical skills from the end of the year and keep them going until we start up again in the Fall.

Students should watch for a lesson preference form in class.

Fall Musical Preparation

Ms. Feltz

When: Jul. 29th- Aug. 15th Mon-Wed. 9:30 am-12 pm

Disclaimer: To put on the musical, we will need at least 15 people (20+ would be best). We will also need at least 4-5+ backstage crew members to run sound, lights, costuming, set moving, social media, etc.

Begin rehearsing for the fall musical in the summer!

The Summer School Musical class is where we learn musical numbers, lines, dances, and blocking. Musical auditions are held in the spring. Group rehearsals would start during summer school musical time and continue into the fall. The musical performance will be in November. We need many people to sign up for on-stage roles and backstage positions.

High School and Jr. High Students are eligible to audition or sign up for backstage crew roles.

If any parent or community member would be interested in helping with making/painting sets, costuming, makeup, or video production/pictures of the musical please contact Ms. Feltz at mfeltz@cfc.k12.wi.us.
