

Cochrane-Fountain City School District  
Curriculum Committee Meeting  
October 29, 2018

Larry Cyrus called the meeting to order at 5:00p.m. Members present were Bonnie Breza, Karen Knospe, Larry Cyrus, Fayme Evenson, Steve Nehring, Steve Stoppelmoor, and Tom Hiebert.

Larry Cyrus gave an overview of the committee charges. The committee is exploring how we can best help the district with curriculum support.

Steve Nehring gave an overview of where curriculum is thus far and where it is going with State requirements, budgets and how it affects our current cycle. Fayme Evenson, a CESA Representative also added to the discussion on job descriptions, testing data and standards.

Tom Hiebert and Steve Stoppelmoor added to the discussion with updates on the testing cycle, Act data information and how curriculum our district is committed to keep up with the standards.

The committee agreed that a monthly report at board meeting would be a good idea for keeping everyone informed on curriculum progress and these reports could involve Coordinator, Administration, Teachers and even students.
