

Job Posting Info:

Full-time 7 – 12 Technology Education Teacher starting the second semester of the 2022-23 School year.

Description

The Cochrane - Fountain City School District will have an opening for a 7-12 Tech Ed Teacher, starting the second semester of the 2022-23 school year. It is a single-person department with a wide variety of courses offered. Courses to be taught are Woods, Metals, Small Engines, Exploratory courses in Grades 7&8, CAD Courses, Carpentry, Home Care and Repair, and Supervised Occupational Experience.

We have recently upgraded parts of our Tech Ed facility with a torch station, laser engraver, and multiple three-dimensional printers. We have some courses transcribed with Western Technical College out of La Crosse. The program is well supported by students and we are set to continue to grow with the right person.

The Cochrane - Fountain City School District is PK-12 on one site. We have 326 elementary students and 276 students in grades 7-12. We are located along the Mississippi River just across from Winona, Minnesota.

It is a beautiful area and a great place to live and work. Come and see for yourself.

Requirements

A valid Wisconsin license with DPI endorsements is required.

A positive personality and willingness to work with others. We are a pleasant district and we are looking for someone to become part of the team to build solid students for the future.

How to apply?

Apply using the WECAN website: <https://wecan.education.wisc.edu/#/>
