The Pirate Youth Athletic Association provides youth athletic opportunities for children Pre-K through 8th grade in the C-FC School District. PYAA promotes general health and wellness and teaches fundamental skills and life lessons through sports. PYAA offers affordable programs and charges a modest registration fee to help cover insurance fees, hire referees, host youth athletic events, and provide athletic equipment. PYAA asks that parents/guardians volunteer some of their time at home tournaments and join in the monthly PYAA meetings. The association is made up of an all volunteer board, a sports director, coaches, community volunteers and the many children who participate in PYAA athletic programs.

PYAA offers the following programs:

- Football
- Girls & Boys Basketball
- Volleyball
- Baseball
