

ABOUT OUR SCHOOL

We are a 4K-12th-grade rural school district located on Hwy 35, the Great River Road National Scenic Byway. We serve approximately 555 students who primarily live in the Buffalo City, Cochrane, Fountain City, and Waumandee areas in Buffalo County.

MISSION STATEMENT

In partnership with families and the community, C-FC provides a safe and supportive environment for all students. By providing a high-quality education that promotes academic and emotional growth, we empower students to be life-long learners and productive, responsible community citizens.

The state Department of Public Instruction rated our school district as "Exceeds Expectations" (District Report Card). The class of 2021 was proud to have a national presidential scholar among its ranks.
